

AQUATIC PLANT MANAGEMENT NOTICE

The Church Pine, Round and Big Lake P&R District is applying for a permit from the Wisconsin DNR to treat up to 9 acres on Big Lake with the aquatic herbicide Endothall to control the invasive plant curly leaf pondweed. This proposed treatment would occur between April 15 and June 1, 2022. The treatment is according to the Aquatic Plant Management Plan approved by the Wisconsin DNR. The membership approved the budget for the treatment at the 2021 annual meeting.

A map of the treatment areas and a copy of the permit application are available at <http://www.bigroundpine.com/>

If you have any questions please call Mike Reiter at 715-294-3950.
