

1991

Annual Mtg. 8/31/91

The 14th annual meeting of the Churchpine, Round, & Big Lake Protection & Rehabilitation District was held at West Immanuel Lutheran Church on Aug 31, 1991 at 10:00 AM. Don Jahns, ~~Pres.~~, Chairman, called the meeting to order & introduced the board members & the meeting agenda.

\* The secretary read the minutes of the last meeting; Ed Bruno m/m to accept them as read, & Dick Palen 2nd the motion.

\* Fred Homan gave the treasurer's report.

8-17-90 Balance \$1841.69

Receipts and interest through 1991 \$14,660.63

Disbursements 7,950.89

8-28-91 Balance \$6709.73

Est. accounts receivable Alden 3500

Garfield 1200

\$4700

Est. accounts payable Water patrol \$700

Misc 300

\$1000

Est. Balance end of '91 \$10,409.00

Charles Forest m/m, Jos Shuster 2nd to accept

\* Fred continued with a water quality report.

Not as many secchi disc tests were taken as he would have liked. This year we had no cellular algae ("rotten cloth"), no algae as in past years. Ed Kromrey will take over the disc readings.

\* Sheila Springer presented the weed-cutting report.

None of the volunteers from Churchpine showed up to monitor weed cutting. Sheila accepted the

19/12/8 . . . . . 1991

chairmanship & organized the monitors.

Questions & comments were fielded:

- Q ① Did they cut between Round and Churchpine? yes, it's deep water & the machine kinda runs over the weeds, only cuts the tops.
- Q ② Weeds appeared to be ripped out, not cut.
- Q ③ Can we get them to cut the weeds before they bud? no, it's too early and the weeds aren't tall enough. There aren't many cutters around so us to switch dates.
- Q ④ Do we have Eurasian millfoil? Can it be eliminated? no, we don't have it, & it can be dealt with once known about. The closest lake to us that has it is White Bear. Green Lake in Chicago Co. also has it.

Discussion was held as to next year's budget for cutting. Sheila recommended that the channels be cut, & property owners individually contract to have their shoreline & docks cut. But if not enough people contract, Aqua Care may not come in. Will put the name & phone number to call in the spring newsletter. Private cutting will cost @ \$1.25 - \$1.35 foot.

Chairman Janke opened the floor for discussion of next year's budget. There is erosion at the dam & correcting it could be a <sup>big</sup> problem; we need to have surplus available for that. Discussion brought up the channel between Round & Big Lake - a new & improved version, would cost between \$74 & \$10,000. The budget is

18' wide, channel should be 30' wide,  
3'-4' deep, & we'd have to use rock per  
DNR. Water level is higher this year -  
if your pontoon is too tall to get through,  
cut the console down. Work on the channel  
will be tabled for now.

MM Dick Larson to budget \$13,000 for  
1991-1992 budget. 2<sup>nd</sup> by Dr. Peetier.  
Motion carried.

Church rental is up to \$35. MM Carolyn  
Larsen, 2<sup>nd</sup> by Don Rosenow to pay  
the church \$35. Motion carried.

Floor opened for nominations for officers.  
Dale Sebler is not running, Kathy Vidler  
will run again. MM Dick Larson, 2<sup>nd</sup> by  
Jos Shuster to nominate Sheila Springer.  
MM Dick Larson, 2<sup>nd</sup> by Dr. Peetier  
nominating Kathy Vidler. By unanimous  
vote, both nominees were elected.

~~Motion made Dick Larson, 2<sup>nd</sup> Don Rosenow  
to adjourn. Meeting adjourned.~~

Doug Hogan has taken ~~Respectfully submitted,~~  
over water patrol & has done Kathy Vidler, Sec.  
a great job - no more fumble.  
To contact her, call the Sheriff's office, & they  
will dispatch her.

Seasonal owners should notify the post office  
that they exist for upcoming 911. If you have no

Telephone at cabin, no box number, as no fire call. a township officer to be part of 911.

Motion made by Mr. Olson, 2nd Ed fromney to adjourn meeting. Meeting adjourned.

Respectfully submitted,  
Kathy Vidler, Sec.
