Cast White Ballot for Marv Friedrich

Dean Henderson - made motion

Don Jahnke - 2nd

Marv received bylaws for :

New Business: 2 - 8 foot swipes around all lakes from end of the dock and out

(Separate contract can be done by property owners from end of dock to shore)

Rehab Committee - volunteers from each lake to check process of weed cutting - Private weed cutting should be done after Aspen cutting is done - Discussion

Notify property owners of lakes - have a representative to watch weed cutting

Doug Thompson - Church Pine

- Question was asked if each property owner can pay for more weed cutting?

Answer was yes.

- Question also, is the weed cutting beneficial?

Temporary fix - Navigational fix

Ron Skone - visited about the water shed study - Barn Yard, Lake Shore, Well Inventories

Home Owners contribute to the lake weed growth

Cheryl Brusach - Chairman of Advisory Committee

Do not use phosphorus fertilizers on lawns

Outlaw phosphorus fertilizers - Bud will check statutes for the township

DNR recognized Dick Rudolph for all of his volunteer work for the 3 lakes.

Lake Association - Team Effort - Volunteers are needed

Satellite: Requested on K - Bud Lee to check with township. Steve Paulson will provide space.

Send a request to Alden Township to put in a Satellite.
